The diagram illustrates the 2019-2020 Wrestling Season bracket. It shows the progression of 16 teams through various rounds of competition, including consolation matches and placement games. The teams are listed in the diagram, along with their records and the results of their matches. The final placement is 7th Place.

The diagram illustrates the 2019-2020 Wrestling Season bracket. It shows the progression of 64 wrestlers through four rounds of competition. The winners of each round advance to the next, while losers are placed in consolation brackets. The final results show Okwara as the 5th place wrestler, Abdul-Malik as the 3rd place wrestler, and Scott as the 7th place wrestler. The diagram includes names of wrestlers, their opponents, and the results of their matches.

Round 1:
